Centralia Lake

Girl's Race: 10:00 AM

Boy's Race: 10:40 AM

Meet Information

Centralia Lake Course Map

Teams Attending: Alma-Wabauunsee, Axtell, Centralia, Clifton-Clyde, Doniphan West, Frankfort, Jefferson County North, Hanover, Horton, Linn, Onaga, Pike Valley, Rock Creek, Sabetha, St. Marys, Troy, Valley Heights, Washington County, Wetmore

Race Distance: Girls – 5k Boys – 5k

How a Meet is Scored: At our meet the first 7 team members per team are considered varsity runners. In this meet four runners make a team. However, coaches are allowed to run a total of seven runners on a varsity team. The three additional runners are called “pushers.” Their purpose is to “push” the other four runners on their team, add points to other team’s top 4 runners, and in case of someone dropping out they can become one of their four scoring team members. In addition, the fifth runner is used to break a tie between two teams if necessary. If a school does not have four runners, their runners do not figure into team scoring. Their runners become what is referred to as “individual” recognition, but without four runners they will not receive team status. At the finish line, meet management records team runners separately. The first team runner will receive number one and so forth. The lowest team score wins.

Awards: Twenty-five individual medals for girls. Three sets of team medals. Twenty-five individual medals for boys. Three sets of team medals. A medal will be given to the top boy and girls from each class (Freshman, Sophomore, Junior, & Senior).
