

Greetings Panther Fans!!

As this first year comes to a close, we anticipate the next and the great things your Panther Booster Club can accomplish. This first year was a rewarding experience for your directors, and was also a tremendous success for our students and staff of Centralia Schools. The funds were allocated in several ways, including funding athletics and their state bound successes, providing start-up money for the school play, purchasing iPads and learning games for the classrooms, and even allowing the Legacy Fund to provide \$500 scholarships to six graduating seniors. The booster club also provided snacks to aid campaigns in helping deter bullying and promote school spirit in all grades. With your help, we were even able to help fund larger projects such as a greenhouse for the Agriculture class.

None of this would have been possible without the stellar support of our Panther Booster Club members! As we look to the 2017-2018 school year, we again ask your support to help the Booster Club enhance the education and experience for our staff and students. Attached is an enrollment form for this upcoming year's Booster Club. We greatly appreciate the support of our current members & we hope to encourage others in their consideration to become a new member. Please fill out and return to the address or give to one of your Booster Club directors by August 28th. Your help and support is greatly appreciated!
